

## **WILLIAM WORDSWORTH**

- William Wordsworth and Coleridge published the first edition of "Lyrical Ballads" in 1798.
- The second edition of 1800 contained the "Preface" which is considered the manifesto of English Romanticism....
- Coleridge wrote poems about the supernatural.
- Wordsworth wrote poems about every day life, coloring it through the use of imagination
- According to Wordsworth poetry was the overflow of powerful feelings Wordsworth presented common life, used the language really used by men, used imagination to give novelty to ordinary things
